The longer the bar, the slower the aspecting planet and the longer the aspect's duration.

- 05 Jan ♃ ♂ ≈ 07:42 am PST Tran-Tran  00° ≈ 00'
 The upward path this coming year will be much about giving everybody a piece of the pie and sharing all resources to pull ahead together. It's not a great climate for going solo, since everybody's looking to share both wealth and burden, but it's a good time to discover untapped potential in people and places which were there all along.
- 07 Jan ♃ △ ♀ 06:45 am PST Tran-Nat  00° ≈ 27'
 A leap of faith will cross many a boundary and unite former foes -- and this is the time to do it, fueled by a special inner confidence that is now available. A strong word of support, based on your own willingness to stand behind your commitments, will change uncertain ties to lasting friendships.
- 07 Jan ♃ ♂ ☉ 06:57 pm PST Tran-Nat  22° ≈ 39'
 You may find reality coming sharply in and out of focus: at times putting you in very practical command of your situation, at times causing you to drift off into a dream world that has little immediate applicability. Act when in the former state, note the other as it presages things to come.
- 15 Jan ♃ ✖ ♃ 10:26 pm PST Tran-Nat  02° ≈ 29'
 This is a good time to find ways to implement your personal beliefs in a way that is practical, satisfying, and unobtrusive to others. No need to soapbox, just a quiet word or two will be enough to get the ball rolling. After an initial thrust, truth and conviction will carry the ball.
- 25 Jan ♃ □ ☽ 01:34 pm PST Tran-Nat  04° ≈ 46'
 Hold back on snap judgments, particularly those based upon intuition, which may seriously fail you at this time. Best to rely on hard facts and avoid over or under reactions to circumstances, even if it seems called for. Emotional timing is a bit off, so hold yourself in check for a second look.
- 05 Feb ♃ ♂ ♄ 03:03 am PST Tran-Tran  20° ≈ 39' R_x
 This rare (once in 45 years) aspect provides a background of a year or so when new advances in theoretical science occur which take a longtime proving, thanks to an often-intransigent scientific establishment. Relativity theory and chaos theory are two good examples; both took years to become thoroughly accepted and a part of the general consciousness. If you happen to know what they are, it probably profits you little, except you can tell your children you were there first, when they finally get hip to it. Nevertheless, it's worth looking around for, as the foundations for another wave of the future are being laid at this very time, no small thing.
- 20 Feb ♃ ♂ ♀ 12:45 pm PST Tran-Nat  10° ≈ 50'
- Making up your mind is the problem and the solution may very well be not to do it at all. A good time for letting disparate elements split apart naturally and let each take their own natural path. When in doubt, reserve judgment and let each of your own diverging opinions have its own deserving place.

- 27 Feb ☽ ✖ ♋ 03:01 am PST Prog-Nat  28° ≈ 39'
A warm expanse of emotional growth is underway, even though you may not be noticing it. It's naturally easier to reach out and be inclusive without being obtrusive, adding to your own inner life as you give to others. Generosity is its own reward, especially when you don't ask for one, and it will come back to you at just the right time.
- 28 Feb ♃ ♂ ♍ 06:28 pm PST Tran-Nat  19° 11' 00" R_x
Much of your efforts in the outside world may be hampered by major changes on the home front that cannot be avoided or put off. Thus, you will periodically have to neglect implementations on the outside in favor of shoring up their true bases on the inside. A trim ship in port rides well at sea.
- 06 Mar ♃ ☐ ♃ 02:53 am PST Tran-Nat  18° 11' 34" R_x
You are undergoing something of a socialization crisis that occurs about once every 15 years, during which you must re-evaluate where you are being asked to fit in among those around you and decide if you're going to be a joiner, go it alone, or make some sort of compromise in your living style.
- 13 Mar ♋ △ ♉ 11:28 am PDT Tran-Nat  15° ≈ 27'
If it feels right, go ahead, no matter how far out it seems! This is a time when inspiration goes hand in glove with opportunity, so be ready to invest in it and strike while the iron is hot. And save the extra stuff that you don't have time to implement right away, it'll be just as valuable down the line.
- 28 Mar ♋ △ ♃ 09:45 pm PDT Tran-Nat  18° ≈ 34'
Good opportunities are afoot for combining new ideas with old support systems, so don't hesitate to blend a radical departure with something very conservative -- this is the time to make it work. Trust your judgment -- and you'll find yourself capable of the seemingly impossible.
- 04 Apr ♄ ♂ ♉ 06:53 am PDT Tran-Tran  03° 18' 18" R_x
Pluto Stationary Retrograde in 06th House
- 10 Apr ☽ ♂ ♉ 08:56 am PDT Prog-Nat  00° ≈ 14'
You sometimes have to make your move, even though your heart isn't fully behind it. Having mixed feelings about your actions doesn't help with follow through, so it may be time to make your judgments based on outward analysis alone and do what you have to, despite misgivings, letting your gut catch up to it later.
- 21 Apr ♋ ♂ ☽ 04:03 pm PDT Tran-Nat  22° ≈ 39'
Stop-and-go energies within make it hard to stay on one subject at a time, so be ready to diversify. Avoid commitments that require steady or constant attention in favor of those that will let you come and go as you please. What goes unfinished now can be completed later, if you design it that way.
- 16 May ♃ ♂ ♄ 05:00 pm PDT Tran-Tran  14° 11' 55"
Saturn Stationary Direct in 03rd House
- 27 May ♋ ♂ ♀ 01:01 pm PDT Tran-Tran  26° ≈ 29'
There is a feeling all around that the next step along the way is both a gift from the gods and

sanctioned by them as well. That may be so, but it will be those of us on earth that have to live up to the ideals we set now, and that may not be an easy or practical task. It can be too easy to expect too much of yourself and those around you because you don't include the rough but real aspects of reality and temptation we all have to live with. This is a great time to be a high priest -- or to act like one -- but make sure that what you sacrifice on your altar is not what you see in the mirror. Light plays tricks that way....

Neptune Stationary Retrograde in 09th House
- 08 Jun ☽ □ ♀ 05:20 pm PDT Prog-Nat  02° ≈ 29'
Emotional confusion can be the result of feelings that fall in and out of focus, situations arise where it's hard to put your finger on just how you want to respond. If you're not sure where you stand, let things go until you are on firmer ground and have tested the changing waters. When tides are changing, wait for them.

- 07 Aug ☽ △ ☽ 10:45 am PDT Prog-Nat  04° ≈ 46'
First feelings will probably be the ones to count on for a while, as although exterior settings may have changed, you can read what's going on inside well enough to rely on your instincts, so you probably won't have to second guess yourself or others. Play it like you feel it, spend extra energy elsewhere.

- 19 Sep ♃ ♂ ♃ 05:09 am PDT Prog-Nat  00° ≈ 00'
You may find you are seeing more than both sides of the questions these days, which may be an important trend. When you don't find all you need to know, it may be time to intercede and ask the right questions, insist on the right answers. You will only know by getting in there and eliciting some response.
- 04 Oct ☺ ☽ ♃ 08:06 pm PDT Prog-Nat  28° ♎ 39'
It can be easy to overdo things right about now, so take care not to spend more energy and enthusiasm on pet projects than they in fact merit. If at first you don't succeed, don't try, try again. Try something else. There's no point in throwing good money after bad, and that goes for your personal energy as well.

- 16 Oct ☽ △ ♀ 07:26 pm PDT Prog-Nat  07° ♋ 28'
If your feelings tell you you want it, now's probably the time to go out and get it. The more emotionally satisfying it seems, the greater the reward in the end. Sometimes you jump for situations and then change your mind later, but right now your judgment is steady and rewards sought now will age well and give dividends.

- 17 Oct ♃ ☐ ♃ 09:02 am PDT Tran-Nat  28°♎39'
Snags, snafus, and stones in your pathway are to be expected, brought on by resistance from those who do not share your future vision or plans. There is little point in fighting it -- just rechart your course to circumvent obstacles, as direct confrontation will drag you down further.
- 29 Oct ♃ ☿ ♁ 10:09 am PDT Tran-Tran  00°♁00'
The next couple of years will likely see a renewal of blind justice with her sword. Those who have spent their time handing out self-made dictums of right and wrong will find themselves hoisted on their own petards, while the meek inherit their earth. If you've been minding your own business, tending to your tasks, you're safe and in line for a promotion.
- 02 Nov ♃ ☿ ♁ 03:44 pm PST Tran-Nat  00°♁27'
This is likely to be a time of considerable deep introspection and even depression, during which you meditate upon the meanings of death and the limitations put upon us by worldly existence. Rather than bemoaning your hard case, take it as a time to confront and better understand these total issues.
- 04 Nov ♃ ♁ 06:53 am PST Tran-Tran  23°♊41'
Neptune Stationary Direct in 09th House
- 06 Nov ♃ ♁ ♀ 06:00 pm PST Arc-Nat  10°♊50'
Putting your feelings into words only enhances them, so don't be afraid to say what you mean from the heart. Your words will not fail you, and backing them with your emotional take makes them seem all the more reliable. Your inner world has immediate contact with the outside without much ado, so honesty pays without modification.
- 07 Nov ♃ ☿ ♁ 03:44 pm PST Arc-Nat  08°♊34'

- 14 Nov ♃ ♁ ♁ 10:03 am PST Prog-Nat  08°♊34'
You can present yourself with confidence because what you have to do is backed by comfortable feelings; you project no discord to confuse others. When you say it, it's obvious you feel it as well. Your creativity and the excitement of new learning and fresh ideas show on your face -- no worry lines there.
- 15 Nov ♃ ☐ ♁ 06:21 am PST Tran-Tran  01°♁42'
This period of a year or so marks a somewhat troubled time for society at large, during which political and economic struggles arise and engage in conflicts that don't actually seem to get anywhere but take up a lot of news time. Unless you're part of the news, chances are this doesn't hurt you directly, but it does sow a certain unease all around that makes people more uncertain than usual about committing to long-range agreements. When the wind is shifting, everyone waits until it's changed before settling down to business. With that in mind, you may find you can make more headway in smaller affairs and short-term commitments, personal or financial, pending further advisories.

- 24 Nov ♃ ✖ ♀ 05:38 am PST Tran-Nat  02°♁29'
 You may find that your fantasy life is seeing some external support, making this a good time to go gently out and try to make some dreams come true. Just sort of slip them into reality, don't push, and you may find they grow with a life of their own. Be willing to trim them to fit reality a bit and they'll blossom.
- 24 Nov ♃ □ ♃ 03:15 pm PST Arc-Nat  04°♁46'
 Ordinarily fluctuating emotions will be inclined to larger swings that bring new tides of happiness and joy that sometimes recede and leave you temporarily on the beach. Sustaining the rhythm will become the trick, so you can keep the best of each new advance as you go from high to low and generally raise the level of delight.

- 20 Dec ♃ ♀ ♁ 01:56 pm PST Prog-Nat  00°♁27'
 Mental blocks can have you up against a wall, and you may have to completely blow away the obstacles to get a clear course. That may mean abandoning old approaches and busting up long-held prejudices and opinions that are holding up progress. Just watch that your own determination/stubbornness isn't part of the problem.
